

TAHSC 3: Human growth & development through the life stages

Task 3: Influences on human development.

Date set w/c 23rd November 2020 Hand in date: w/c 14th December(end of your HSC lesson)

Before you begin...

Insert a HEADER (double click the very top of a word document) with your full name and your learner number (we will let you know this when it arrives). This **MUST** be on every page of the whole coursework.

This task will help you work towards the following assessment criteria:

	Grading	Achieved?
Task 3		
P4	Consider biological and environmental factors to outline the nature/nurture debate. A minimum of two (2) factors for each perspective must be given	
D2	Summarise the influence of nature and nurture on human development and behaviour.	
P5	List reasons why a health and social care practitioner responds efficiently to concerns about an individual's development.	

<p>D2 What is Nature? What is Nurture?</p> <p>Nature: genetic, inherited characteristics, biological influences.</p> <p>Nurture: environmental influences.</p> <p>Put your ideas across; Debate: extent to which nature or nurture is responsible for an individual's development and behaviour, reasons why nature and nurture is debated.</p>	<p>P5 Reasons for recognising and responding to concerns:</p> <ul style="list-style-type: none"> <input type="checkbox"/> to take action <input type="checkbox"/> to promote health & well-being <input type="checkbox"/> to meet individual needs <input type="checkbox"/> to meet the needs of family/carers/friends. <p>Explain why these reasons are important.</p>	<p>P4 Factors and PIES</p> <ul style="list-style-type: none"> <input type="checkbox"/> biological influences <input type="checkbox"/> lifestyle <input type="checkbox"/> education <input type="checkbox"/> employment <input type="checkbox"/> socio-economic <input type="checkbox"/> relationships <input type="checkbox"/> culture <input type="checkbox"/> physical environment <input type="checkbox"/> health <input type="checkbox"/> bullying <input type="checkbox"/> aspiration. <p>How do the factors above link to PIES development?</p>
---	--	---

Extension: The D2 task is your extension activity to help you achieve a Distinction grade. There is an extra help sheet attached to help you achieve this task.
