

TAHSC 1: Introduction to the Health and Social Care Sector

Task 1: Types of Provision / Functions of Services Task 2: Job roles of health and social care practitioners

Before you begin...

Insert a HEADER (double click the very top of a word document) with your full name and your learner number (see your folder). This **MUST** be on every page of the whole coursework.

This task will help you work towards the following assessment criteria:

	Grading	Achieved?
Task 1		
P1	Identify one (1) example of a health and social care service from each of the following types of provision that can be found in your local area: <ul style="list-style-type: none"> ○ statutory ○ private ○ voluntary 	
P1	List the functions of each of the services identified	
M1	Describe the functions of one (1) type of health and social care service from each of the following: <ul style="list-style-type: none"> ○ statutory provision ○ private provision ○ voluntary provision 	
M1	Give specific examples within your description of the functions for each service	
Task 2		
P2	Describe one (1) health and social care job role held within each of the services identified in P1: <ul style="list-style-type: none"> ○ statutory ○ private ○ voluntary 	

Look out for these functions for

Functions of services include:

- long-term/short-term
- residential provision
- respite provision
- community provision
- rehabilitation provision
- specific service provision to meet needs

Task 1

P1

Research different services to complete the table below. You may choose to include an image of each service.

	Statutory provision	Private Provision	Voluntary Provision
Description of each type of provision			
Specific example of a service and type of service: Health, Social Care, Early Years	<div style="border: 1px solid black; padding: 5px; width: fit-content; margin: 0 auto;"> Give the name of a service and its address here/telephone number here </div>		
List the functions			

M1

For each of your specific chosen examples, describe the functions of the health and social care services.

You need to give information about:

- Their location (you could use a map)
- Opening times or session times
- Cost
- Examples to demonstrate your research
- The description of the functions of each service should be about ½ a page each.

This Merit task should be in full sentences and detailed in order to be awarded the grade.

Remember: You will need to be able to answer examination questions on this in year 11 so the more detail you have, the better.

Task 2

P2

For each of your specific chosen examples of services, describe the role of the practitioner.

Job roles:

- social worker
- nurse
- doctor
- health care assistant
- activities co-ordinator
- outreach worker
- occupational therapist
- counsellor
- dietician.

This Pass task should be in full sentences and detailed in order to be awarded the grade.

Remember: You will need to be able to answer examination questions on this in year 11 so the more detail you have, the better.

Suggested job roles (although you can choose your own/the ones that interest you most)

Statutory- Rotherham Hospital: Doctor

Private – Cherry Trees Care Home: Health Care Assistant

Voluntary- Rotherham Hospice: Nurse (see the multi-disciplinary team section of their website)

Skills you might need

- Communication
- Problem-solving
- Multi-tasking
- Teamwork
- Administration
- IT
- Organisation
- Typing / keyboard
- Work well under pressure
- Analytical / analysis
- Logic
- Problem-solving
- Decision-making

Follow your guidance sheets from lesson.

Make sure you include 5 roles, 4 specialist functions and 5 skills for each person

Give specific examples for each - this will help you in your examination in Y11 and prepare you for sixth form/college/ future jobs.

Task 3

This task will help you work towards the following assessment criteria:

	Grading	Achieved?
Task 3		
P3	Identify two (2) types of referral used to access health and social care services.	
M2	Explain two (2) types of referral used to access health and social care services.	
P4	Explain how three (3) barriers to accessing health and social care services may be overcome.	

<p>Accessing services: Types of referral</p> <ul style="list-style-type: none"> <input type="checkbox"/> self <input type="checkbox"/> professional <input type="checkbox"/> compulsory <input type="checkbox"/> third party 	<p>Difficulties accessing services: Barriers to access:</p> <ul style="list-style-type: none"> <input type="checkbox"/> communication <input type="checkbox"/> cultural values and beliefs <input type="checkbox"/> cost <input type="checkbox"/> location <input type="checkbox"/> physical access <input type="checkbox"/> psychological <input type="checkbox"/> lack of resources <input type="checkbox"/> time
--	---

Task 3

P3

- List the four different types of referral and BRIEFLY explain what they mean.
- Link back to Task 1 & 2: Choose two types of referral and say which type of provision would use each referral and which referral type your chosen services (specific examples) might favour

M2

- Explain what is meant by your chosen referral types.
- Give examples as to when they might be used / occur and how

P3

- List the different barriers to accessing services
- Briefly explain what they all are and give examples
- Choose 3 - explain how these barriers could be removed or overcome by the service user. Give examples

Task 4

This task will help you work towards the following assessment criteria:

	Grading	Achieved?
Task 3		
P5	Outline one (1) health and social care service typically accessed at each life stage.	
M3	Explain how health and social care services meet the care needs of individuals at each life stage	

<p>Life stages:</p> <ul style="list-style-type: none"> <input type="checkbox"/> infancy <input type="checkbox"/> childhood <input type="checkbox"/> adolescence <input type="checkbox"/> early adulthood <input type="checkbox"/> middle adulthood <input type="checkbox"/> late adulthood 	<p>PILES</p> <ul style="list-style-type: none"> <input type="checkbox"/> Physical <input type="checkbox"/> Intellectual <input type="checkbox"/> Language <input type="checkbox"/> Emotional <input type="checkbox"/> Social
---	--

Task 4
P5

- List the six different life stages and the ages associated with each
- List some services that each life stage is likely to access
- Briefly outline why they might typically use this service

M3

- Name and explain what PILES are
- Name the main needs of individuals in each life stage
- Explain how the services meet the PILES needs in each life stage (give examples)

Task 5

This task will help you work towards the following assessment criteria:

	Grading	Achieved?
Task 5		
P6	Give two (2) examples of informal care.	
D1	Compare and contrast formal and informal care services	

<p>Informal Care:</p> <ul style="list-style-type: none"> <input type="checkbox"/> family <input type="checkbox"/> friends <input type="checkbox"/> neighbours <input type="checkbox"/> community groups <input type="checkbox"/> volunteers. 	<p>Formal Care: Practitioners (Link to P2):</p> <ul style="list-style-type: none"> <input type="checkbox"/> social worker <input type="checkbox"/> nurse <input type="checkbox"/> doctor <input type="checkbox"/> health care assistant <input type="checkbox"/> activities co-ordinator <input type="checkbox"/> outreach worker <input type="checkbox"/> occupational therapist <input type="checkbox"/> counsellor <input type="checkbox"/> dietician. 	<p>Comparison points To consider:</p> <ul style="list-style-type: none"> <input type="checkbox"/> payment / funding for care <input type="checkbox"/> access to these carers
--	---	--

Task 5
P6

- List the five main types of informal carers
- Briefly explain how they may provide care (give examples).

D1

- Give similarities between formal and informal care and services
- Give differences between formal and informal care and services

Task 6

This task will help you work towards the following assessment criteria:

	Grading	Achieved?
Task 6		
P7	Describe the role of regulatory and inspection bodies for health and social care.	
D2	Explain the impact of regulatory inspection on: <ul style="list-style-type: none"> ○ individuals accessing health and social care ○ the service provider ○ public trust. 	

Regulatory and Inspection bodies:

- the Care Quality Commission (CQC)
- Ofsted

Task 6

P7

- Name the two main regulatory and inspection bodies for Health and Social care
- Describe their role in regulating and impacting services. This should include:

D2

- Explain the impact of the inspection on different areas

Bibliography

List any websites or books that you use to help you complete your work.

Remember...

Cutting and pasting is copying.

Copying is plagiarism.

Plagiarism is cheating. DON'T DO IT!!!
